Calgary Ability Network

Recreation 2018

Vision:

Recreation for all

Mission:

Enhancing the quality of life of persons with disabilities through collaboration and advocacy for recreational choices.

Goals:

Collect/identify existing resources for appropriate training to assist inclusive recreation for persons with disabilities within the next year.

Gather, review and act based on research that identifies current gaps and needs in recreation programs and services within the next 2-3 years.

Connect the recreational community and persons with disabilities through information sharing.

Outcomes:

A database of training expertise to support inclusive recreation.

Deeper knowledge and understanding of the gaps and an action plan to address gaps.

Persons with disabilities and their support networks report that they have more or better access to the range of recreational opportunities available in Calgary
